WELCOME FROM THE PRESIDENT

I hope all are well and safe from the pandemic and that you all are in close contact with your friends and loved ones.

Now that the first of the year is behind us we are on a swift path for moving forward with our 2021 community goals which include the beginning of our landscaping updates, beginning the perimeter wrought iron fencing refurbishment, touch ups on pool decking, and street/asphalt repairs.

I want to make sure to invite everyone to please utilize our website to access the web portal to communicate with your board.

Thank you very much for your time and I hope that you find the following information provided in this edition of the newsletter uplifting.

Sincerely,

John L.
